

The Beaver Uniform

The Beaver uniform is brown and blue. These colours symbolize nature: brown for the earth and the beaver's fur coat, and blue for the clear sky and the fresh sparkling water.

The Official Uniform is:

- ** Coby Hat in blue and brown with the Beavers Canada Crest (available at the Scout Shop)
- ** Beaver Vest with blue pockets (available at the Scout Shop)
- ** Group Neckerchief (presented by Colony during Investiture Ceremony)
- ** Woggle (presented during Investiture Ceremony)
- ** Beaver Tail (presented by Colony during the Tail Ceremony)

The only badges worn on the uniform (see below for diagram) are:

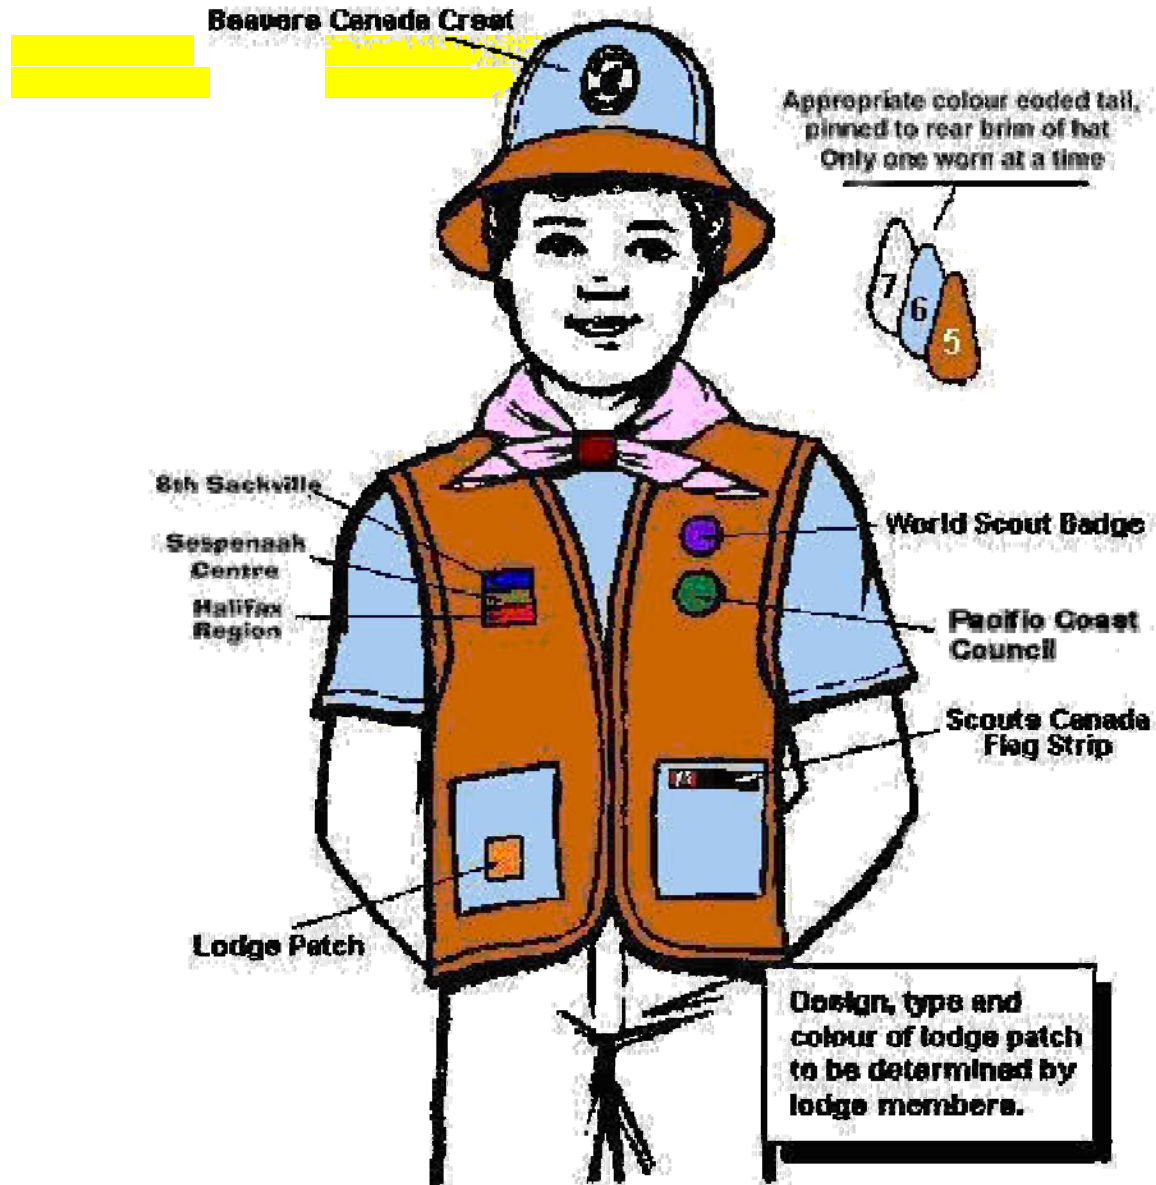

18. a group badge (8th Sackville), on right chest
19. a district badge (Sespenaak Centre), below group badge
20. a region badge (Halifax Region), below district badge
21. a World Scout Badge (already on the vest)
22. a Nova Scotia Province badge, below World Scout Badge
23. a lodge badge, on right pocket
24. Service Bars (to indicate years of service), on left pocket

Through the course of the year, our Colony will be involved with certain official outings (e.g., Apple Day, Museum Sleep Over, Winter Beaveree, Overnight Camp). The Beavers who attend these events will be given a crest commemorating the day. Apply these crests to their campfire blanket or vest only, do not attach them to their uniforms.

Campfire blankets may be purchased at the Scout Shop or a hand made blanket can be used. This special Campfire blanket is to be used to proudly display the Beaver's past lodge patches, Beaver Tails, or community event badges. However, it shall be only worn for Campfires during camp outings.

It is highly recommended that the Beaver's name be printed on all items that are separate and may become lost (e.g., Hat, vest, neckerchief, woggle, campfire vest).

Beaver Uniform and Badges

A BEAVER SHOULD RESPECT HIS/HER UNIFORM AND WEAR IT PROUDLY.
